To whom it may concern,

Re: Termination of acceptance of cash and check at B/L issuing offices

We are writing to inform you of termination of acceptance of cash and check as a payment of ocean freight and other charges as from January 1st, 2019. Therefore, we would like to ask you to arrange bank transfer to following bank accounts of Kawasaki Kisen Kaisha, Ltd. before you pick up B/L and D/O at our B/L issuing offices. Just for your reference, we will not reject cash and check up until the end of February 2019 as a transition period, even after January 1, 2019.

We would suggest you that you should send bank transfer statement along with attached "bank transfer notification sheet" to our B/L issuing offices via e-mail or fax before coming to our offices. This will enable us to issue B/L to you accurately and smoothly.

We would appreciate your understanding and cooperation in this matter.

Sincerely yours,
